FROM : MALCOLM S. GARMA

**SUBJECT : Reiteration on the Schedule for the Conduct of CY 2026
 Quarterly Nationwide Simultaneous Earthquake Drill (NSED)**

DATE : February 18, 2026

Pursuant to the approved NDRRMC Memorandum No. 15, s. 2026 "Conduct of the CY 2026 Nationwide Simultaneous Earthquake Drill", offices across all levels of the Department and schools are enjoined to participate in the conduct of quarterly Nationwide Simultaneous Earthquake Drill (NSED) with schedule as follows:

Quarter	Date	Time
1 st Quarter	March 12, 2026	03:30 PM
2 nd Quarter	June 18, 2026	09:00 AM
3 rd Quarter	September 10, 2026	02:00 PM
4 th Quarter	November 5, 2026*	09:00 AM

*in connection with the observance of the World Tsunami Awareness Day

The schedule of NSED may be adjusted in circumstances such as, but not limited to declared holidays, sudden cancellation of school classes or office work, or actual emergency and disaster incidents. All other activities are requested to be temporarily interrupted to give way for the scheduled conduct of NSED and shall resume afterwards.

Additionally, NDRRMC Memorandum No. 06, s. 2023 allowed the resumption of the conduct of traditional or in-person Nationwide Simultaneous Earthquake Drill since the beginning of the first quarter of 2023. It is therefore recommended to design and implement other forms of exercises based on needs assessment, aside from

evacuation drills, to scale up overall earthquake preparedness. However, this is subject to the strict implementation of minimum health protocols such as but not limited to, social distancing and handwashing to ensure the safe and effective conduct of the NSED. All DepEd offices and schools responsible for implementing the drill will assign Safety and Health Officers to monitor and evaluate the adherence to these protocols throughout the exercise.

To ensure awareness and preparedness on the impending threat of the inevitable occurrence of an earthquake, even amid pandemic, **Information, Education, and Communication (IEC) campaign in NSED using distant means should be continuously intensified.** A copy of NSED materials can be accessed through <https://bit.ly/DepEdNSED>.

For the post-NSED activities, the self-evaluation and processing of the NSED within respective areas of jurisdiction are encouraged after the conduct of NSED. Proper documentation and post-activity evaluation of said drill are required. All field offices are advised to make necessary preparations to ensure that the required reports are submitted on time, as indicated in Annex A. Also attached is the NDRRMC Memorandum No. 015, s. 2026 for reference.
